RE: 2021 ASSESSMENT RATES FOR RESIDENTIAL PROPERTY AND CODING SERVICES

The Texas Insurance Checking Office (TICO), designated statistical agent of the Texas Department of Insurance (TDI), has established its 2021 assessment rates for residential property statistical reporting and residential and commercial coding services.

Residential property and Farm and Ranch statistical reporting: All companies writing Homeowners, Dwelling Fire, Farm and Ranch Owners and Farm and Ranch Fire in Texas must submit monthly statistics to TICO. The charge for 2021 will remain \$.08 per statistical record, excluding records with Record Type 96 or 97.

If your company utilizes TICO coding services for residential property and farm and ranch, the 2021 assessment rate will remain \$2.40 per record.

For commercial property statistical coding and reporting to the Insurance Services Office, the 2021 assessment rate will remain \$2.40 per record.

The assessment rate will remain at \$.06 per record for companies utilizing our commercial tape reporting service.

A \$500 minimum assessment per company will apply for those companies reporting residential property to TICO.

Sincerely,
